The Portland Foundation 2018 Annual Report

Message from The Portland Foundation

Dear Friends,

Over the past five years, we have presented this report while showcasing a segment of The Portland Foundation's mission statement. Last year's report "Providing Leadership on Key Community Issues" completed the series.

In 2018 The Foundation's Board of Trustees met over the course of many months, crafting a new five-year strategic plan. In October, the plan was adopted by the board, and included the following goals:

- Enhance our Community Leadership Role
- Increase our Visibility as a Trusted Community Leader
- Continue our Fund Development Success and Grow our Assets

One day prior to the October approval of the strategic plan, Lilly Endowment Inc. announced the seventh phase of the Giving Indiana Funds for Tomorrow (GIFT) Initiative. Lilly Endowment Inc. is giving The Portland Foundation the opportunity to grow its unrestricted endowment by offering a \$500,000 match on \$250,000 in gifts received for new and existing unrestricted endowment funds. Imagine the impact an additional \$750,000 in unrestricted endowment could make each year in the Jay County community!

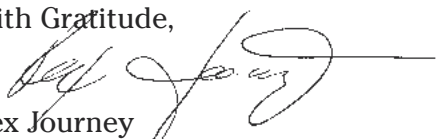

In a second part of GIFT VII, Lilly Endowment Inc. is giving The Portland Foundation the opportunity to enhance its community leadership skills through planning and implementation grants. The Foundation will be working to determine the greatest needs in the community, and will then be strategic in its future grantmaking around those identified needs.

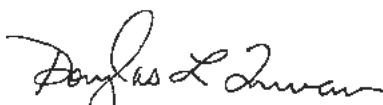

GIFT VII holds unbelievable opportunity for The Portland Foundation, and we plan to take full advantage of Lilly Endowment Inc.'s generosity.

As The Portland Foundation continues to carry out its mission to enhance the quality of life in Jay County by building community endowment, awarding grants, and providing leadership on key community issues, we do so with the utmost integrity. We strive to serve donors and grant and scholarship recipients, as we would wish to be served ourselves.

The board and staff are blessed to be able to serve the community. Each of us thanks you for trusting us with carrying out your philanthropic legacy for Jay County.

With Gratitude,

Rex Journey
President, Board of Trustees

How to Give Through The Portland Foundation

Donors can give to existing funds or create new ones that best serve their needs and charitable interests. Prospective donors are urged to discuss the various options listed below with their attorney, accountant, or other financial advisor.

Endowment Funds

An endowment fund is a living memorial that may carry your family name. It creates a pool of charitable assets that provides enduring charitable support. Donors may choose one of five ways to have their contributions administered:

Unrestricted

The donor allows the Board of Trustees the freedom to choose the grant recipients and respond to changing needs in the community.

Field of Interest

The donor may specify a field of interest, but leaves selection of the exact recipients to the discretion of the Board of Trustees.

Restricted

The donor may name one or more particular agencies or institutions to receive grants.

Scholarship

The donor outlines the criteria for awards to deserving students so they may pursue educational opportunities.

Donor Advised

The donor may suggest possible grant recipients to the Foundation each year.

Planned Gifts Providing Lifetime Income

Planned gifts provide the benefits of charitable giving, while affording you and loved ones income from the donated assets.

Through The Portland Foundation, donors have the opportunity to preserve and strengthen the Jay County community. For information on these and other ways to use The Portland Foundation, call Doug Inman at (260) 726-4260.

Applying for Grants

The Portland Foundation encourages requests from any new or existing charitable organization or community agency in Jay County.

Grant Policies

Grant proposals must have direct relevance to Jay County charitable needs.

Areas The Portland Foundation wants to support are:

- Start-up costs for new programs
- One-time projects or needs
- Capital needs beyond an applicant organization's capabilities and means

Generally, The Portland Foundation does not support:

- Individuals, other than scholarships
- Religious or sectarian purposes
- Make-up of operating deficits, post-event or after-the-fact situations
- Endowment campaigns
- Propaganda, political or otherwise, attempting to influence legislation or intervene in any political affairs or campaigns

Requests are reviewed and voted on twice a year. Deadline dates are typically in January and July and are announced in the local media.

Foundation staff will review the grant request and will contact the requesting organization for any additional information or clarification. Following staff review, the proposals are sent to the Board of Trustees for evaluation and funding recommendation.

Following the next regularly scheduled board meeting, applicants are informed in writing of the Board's decisions as well as any conditions placed on a grant.

The mission of The Portland Foundation is to enhance the quality of life for the people of Jay County, Indiana, now and for generations to come, by building community endowment, effecting significant impact through grantmaking and providing leadership on key community issues.
